Why do I need FigTree Blue?

“ Staying healthy is one of my main concerns. I know medical emergency and healthcare services can be very costly if I don't have the right health coverage.”

FIG+TREE
BLUE

What is FigTree Blue?

FigTree Blue is a new affordable option for international health insurance.

It offers an extensive range of hospital, medical and additional benefits for members and their families in order to protect them against the high cost of hospital treatment, doctors and specialist fees.

Who is it for?

FigTree Blue is specially designed for expatriates living in Cambodia and is also available to Cambodians.

You can also purchase FigTree Blue for your family and your employees.

Fast Approvals, Prompt Claims Settlement

With FigTree Blue, you are assured unrivaled reliability and efficiency. Backed by a strong local presence in Cambodia, you are guaranteed fast approval of your health insurance application and speedy settlement in the event of claims. And no other health insurance in Cambodia has that.

Affordable Premium

For as low as *\$378 per year for adults and \$283 for children under 18*, FigTree Blue gives access to many of the same benefits as most international health plans.

Worldwide Protection

FigTree Blue provides comprehensive protection 24 hours a day, 365 days a year whether you are at work, at home or on holiday – worldwide.

Emergency Evacuation

In the event when treatment is not available in the place of the incident, FigTree Blue covers for evacuation costs to the nearest appropriate facility. This cover is also extended to cover for the travel cost of your escort.

Outpatient Treatment

When you purchase the FigTree Blue Super Plan, you can also extend the cover to include treatment received as an Outpatient.
